

Sukru Esen

Front-End Developer &
UI Designer

Profile

I am a 19 year old high school graduate young web designer/developer.

I have been actively designing/developing websites for over 3 years. I have an intermediate level of English.

I was doing this job as a freelance, but now I want to make a career to gain more experience. If I am hired, I am always ready to do my best for your company.

I am a cool and solution oriented person.
